

MILLINER - An artistic handcraft that stands out

It's all in the details!

The Higher Vocational Education Milliner 400 credits (2 years) gives you competitive skills and new career opportunities.

If you are working with stage and film costume this craft expertise will give you great benefits. Also within fashion we see an increased interest and demand for quality hats and customized products.

You will learn to design and make hats of all kinds and create accessories such as bags and gloves. With focus on craftsmanship, sustainability and artistic expression the education will give you creative freedom and professional knowledge.

Future career/professional areas:

fashion	stage costume
design	film
haute couture	theater
accessories	music industry
product development	gaming industry
production	cosplay

There are several future career paths. Whether you want to start your own business or work for a company or institution, there is both an exciting Swedish and international labor market

The Milliner programme is free of charge (for EU and Nordic citizens) and are now open for late applications. Don't hesitate to contact us with further questions!
